Tipping Floor Supervisor

Hiring organization
Biogas Operations LLC

Employment Type
Full Time

Job Location
1600 Lamberton Rd, Trenton, NJ 08611, United States

Date posted
October 15, 2019

Valid through
30.04.2020

Description

Coordinate receiving inbound feedstock with delivery drivers and communicate with the Scale House Operator. Maintain a safe, efficient and clean work environment in the plant receiving area. Inspect feedstock loads as materials are dumped into receiving hoppers. When necessary, stop the dumping to remove load contaminants. Safely store contaminants for reporting and disposal.

Please download the application before applying. You will be able to upload a resume and standard application when you click “Apply Now”

Responsibilities

Your responsibilities include:

- Manage logistics of inbound feedstock on tipping floor.
- Perform visual inspections of inbound materials conforming to material specifications.
- Communicate with Scale House Operator, Control Operators and Mechanical Maintenance on daily activities and throughputs.
- Operate mechanical equipment required to remove contaminants from incoming deliveries.

Qualifications

- Attention to detail
- Good hand/eye coordination
- Good verbal communications skills
- Physical fitness
